FREE SAMPLE | 9 ACTIVITIES | 2 LEVELS

This free sample includes 9 step-by-step directed drawing activities from the full resource of 55 activities plus 1 bonus activity for students in Grades K-2 (ages 5-8). Every activity comes with two worksheets, so this sample holds 18 worksheets in all. No prep needed. Choose a page, print, and go.

The 9 activities are one from each theme in the book, so you can see the full range before you decide.

Two Levels of the Same Activity

Level 1: the drawing area holds a light gray starting shape. Students trace it and add the rest, so their drawing looks like the sample and they finish the page on their own.

Level 2: the drawing area is empty. Students build the whole drawing themselves, step by step.

Every worksheet is marked Level 1 or Level 2 in the top right corner.

You decide which level each student gets. Many teachers use Level 1 early in the year and Level 2 later, which makes growth easy to show.

How Each Activity Works

1. Follow the Steps: Students see how a drawing is built step by step using simple lines and shapes.
2. Trace: Students trace the completed drawing, reinforcing hand movements and building confidence before drawing independently.
3. Draw & Color: Students recreate the drawing on their own and then color it.
4. Trace & Write: Students trace and independently write the Spanish word, reinforcing vocabulary and handwriting.

For Early Finishers

Small themed illustrations and lettering on each page can also be colored, and there is room around the finished drawing to add a scene: trees, grass, rocks, the sun, clouds, or anything students imagine.
